A suggestion for clarity:

The following is an EPA Region III summary of EPA regulations that were in place on January 9, 2014, and applicable relating to the Freedom Industries/Etowah River Terminal LLC (Freedom) facility.

# Ex. 5 - Deliberative

The region would like to get this out today, so your very speedy review and consideration is requested. OGC, please provide comments to me and to Dan Schramm (Kristi's replacement), who will help compile.

Thank you!

**Subject:** Freedom Industries questions

Hi Melissa,

I met you here in Charleston, WV during the Freedom Industries leak. Dennis gave me your email.

I wanted to follow up with you about the EPA regulations that Freedom had to comply with--- I'm trying to understand what was in place at the time of the incident. You and I were discussing this briefly with Raj (sorry if I misspelled this).

Do you have time to talk over the phone? Email works as well.

Thank you,

Rachael Gunaratnam

Bicky –

Per our conversation from a moment ago, we recommend that the document attached above is the one we forward to the CSB inspector, Rachael Gunaratnam.

If you or anyone else, incl. Joan and Suzanne, have any suggestions, changes, etc. etc. please let me know asap.

Thanks –

Diane
